

## Join Bruker at Metabolomics 2019

Bruker provides cutting edge mass spectrometry and NMR solutions. Come to hear experts sharing their experience and catch up with the latest innovations.

You are cordially invited to join **Bruker's lunch seminar** on **Thursday, June 27<sup>th</sup>**, 2019 from **12:20 pm to 1:30 pm** during the Metabolomics 2019 conference in The Hague, Netherlands.

### Guest Speakers:

**Dr. Catherine Vasilopoulou (Max-Planck-Institute, Munich, Germany):**

"TIMS and PASEF enable in-depth lipidomics from minimal sample amounts"

**Prof. Gary Frost/Dr. Isabel Garcia Perez (Imperial College London, United Kingdom):**

"Dietary advice in health management"

Visit us at the Bruker **Booth #P2**

Learn more about how the inventors of PASEF at the Max-Planck-Institute in Munich apply their timsTOF Pro for lipidomics.

Get the latest news on our new NMR solutions for Metabolomics on the IVDr platform and learn more how the urinary metabolic fingerprint obtained can be used for personalized dietary advice in health management.

**To participate, please register [here](#).**

---

We are looking forward to welcoming you at The Hague!

Kind regards,

**Your Bruker Team**
